RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents,
Washington, D.C. 20231

Sir:

In response to the restriction requirement dated June 21, 2000, Applicants hereby provisionally elect the invention of Group I, claims 1-6.

Applicants also provisionally elect, in species a, phosphorylation site 199 and in species b, SEQ ID No: 2.

Claim 7, directed to non-elected subject matter, remain in the application. It is requested that it be permitted to remain in a dormant condition pending rejoinder or the filing of a divisional application. Applicant wish to note that claim 7 is eligible for rejoinder upon allowance of the antibodies claims.

The Examiner accordingly is requested to proceed with an examination on the merits.

Respectfully submitted,

Koichi ISHIGURO et al.
